Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 27 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry days with plenty of sunshine and feeling mild.

Today:
Any mist and fog will soon lift to leave a fine and bright day with plenty of sunny spells across the region. Patchy cloud developing in the afternoon but staying dry. Winds remaining light and feeling mild in the sunshine. Maximum temperature 12 deg C (54 deg F).

Tonight:
A dry evening with clear skies overnight. Feeling chilly with light winds allowing for frost in prone spots and localised fog patches to form. Minimum temperature 1 deg C (34 deg F).

Sunday:
Another fine and dry day with plenty of sunny intervals. Slightly less mild but still feeling pleasant in the sunshine. Cold overnight with frost and fog patches likely to develop. Maximum temperature 11 deg C (52 deg F).

Outlook for Monday to Wednesday:
Turning cloudier on Monday and Tuesday but staying dry with light winds. Showers possible on Wednesday. Mild throughout, with overnight frosts and fog patches possible.
